## FREQUENTLY ASKED QUESTIONS

**What is Zero-Sort® recycling?**  
Zero-Sort recycling is Casella's state-of-the-art process which enables paper, cardboard, plastic, glass, and metal cans to be collected together in one bin eliminating the need for you to separate recyclables.

**Can I throw trash and recyclables into my recycling bin?**  
**NO.** Your recycling bin is for Zero-Sort recyclables only. Items that cannot be recycled should be tossed into your trash bin.

**How should I prepare recyclables?**  
Recyclables must be empty and rinsed clean of food residue. Corrugated cardboard boxes should be broken down into 2' max pieces. **DO NOT** tie newspaper, cardboard or jugs with twine. Handles should be removed from pails and paper bags.

**What type of metal can I recycle in my bin?**  
Food and beverage cans are acceptable. **NOT ACCEPTED** items include pots, pans, aerosol cans, and scrap metal such as automotive parts, motors, and appliances or any other metal items.

**Can I put grocery bags into my Zero-Sort bin or place recyclables in plastic bags?**  
**NO.** Plastic bags of any kind are not accepted in Zero-Sort recycling. To recycle grocery bags, please bring them to a participating grocery or retail store.

**Why aren't paper cups recyclable?**  
Paper cups have a thin, plastic lining or waxed finish that cannot be recycled.

**Can I put construction debris in my trash container?**  
No. Trash containers are intended for municipal solid waste (household trash) only. For disposing of construction debris please call 800-CASELLA to discuss renting a dumpster.

## CURBSIDE CONTAINER PLACEMENT GUIDE

Help us to provide you with the best possible service! This guide illustrates the proper and improper placement of your curbside containers and offers tips to help with the curbside collection of materials.

Place containers at the curb the night before pickup day

### CONTAINER DO'S

- Keep containers on a hard, level surface, clear of snow and other landscaping debris and no more than 5' from edge of pavement.
- Please allow containers a 3' perimeter of clearance from obstructions such as parked cars, trees, mailboxes and utility poles. There must also be a 15' over head clearance from any low hanging tree branches or power lines, etc.
- If you have more than one cart placed at the curb, please set them side by side as indicated in the illustration with at least 3' of clearance between the containers.

### CONTAINER DONT'S

- Containers must remain upright for pickup
- Keep all materials inside the container
- Do not place containers back to back
- Keep container clear of all obstructions

53 Pelham Road, Salem, NH 03079
