Helpful everyday hints to make you regular trash and re-cycling pickups work smoothly:

Carts should have all material compacted as much as possible. Lid must be completely closed. If for some reason your Cart is damaged, call Town Hall at 603-362-5266 so we can replace it. In the Casella flyer check for info on Curbside Trash & Zero-Sort Recycling. If you are remodeling, you may want to consider renting a dumpster from Casella directly. Please bring any plastic grocery bags back to grocery store as they will recycle them. Do not place carts on roadway pavement. Cars and snowplows tend to not like them.
