Bulky items whose size and weight preclude the use of your Casella Toter may be left curbside for pick-up providing the following guidelines are followed:

1. Pick-up is for Atkinson residents' Bulk items only which must be placed curbside by 7:00AM on Saturday, July 20, 2019.
2. Each item will require a separate sticker available at Town Hall for a fee of \$15 paid in advance via cash or check. There is no limit to number of items provided they are paid for.
3. Please contact Casella Waste Systems at 800-445-1318 with problems questions or problems

Name: _____ Phone #: _____.

Address: _____

Number of items to be picked up _____ x \$15.00 per item = \$ _____ .00

Helpful everyday hints to make you regular trash and re-cycling pickups work smoothly:

Carts should have all material compacted as much as possible. Lid must be completely closed. If for some reason your Cart is damaged, call Town Hall at 362-5266 so we can replace it. A new Casella flyer will be out in April. Check for info on Curbside Trash & Zero-Sort Recycling. If you are remodeling, you may want to consider renting a dumpster from Casella directly. Please bring any plastic grocery bags back to grocery store as they will recycle them. Do not place carts on roadway pavement. Cars and snowplows tend not to like them.

IMPORTANT: Household Hazardous Waste Day is Sat., Oct.26, 2019 in Danville from 9 AM - 12:00PM. See Town Web Site for further info.
