The above (excerpted from HB 1372) is a list of forms and documents that are usually sufficient for verifying a veteran's active military service.

For a document to be acceptable in verifying a veteran's active military service, it must show (in addition to sufficient identification data) at least three key pieces of information:

- a date of entry into active duty,
- a date of separation or release from active duty, and
- the character of the discharge (proof of honorable discharge or separation).
