- The commission members agreed with the location to place the sign. It is between the parking lot and large Lacrosse field, where the maple tree is. We will place it a little higher so people would be able to see it over the parked vehicles.
- The Lions Club would like to donate a flagpole for Frank Polito; who was a Citizen of the Year 2010 to be placed at the Collins Park. The location would be near second well marking. It would be safe for flagpole and well making together.
- Ted suggested to contact to our engineer; Dennis Quintell to send the application for driveway permit to state. Either it approved or not, we should give it try. We will gain at least 20 parking spaces regardless, but it would be safer and easier exit to East Road, if there is another driveway.
