Members Present:

W. Friel, Chairman
W. Bennett
F. Childs, Jr

Others Present:

P. Smith, Town Administrator
M. Veasey, Energy Efficiency Committee

Discussion:

M. Veasey stated that the Town has been awarded an Energy Efficiency Block Grant (EECBG) in the amount of \$23,900.00. This grant is to be used to perform energy audits on all eight town-owned buildings. The audit will provide a final report and subsequent recommendations for more efficient energy usage, alternate means of application as well as over-all energy usage by the subject buildings. The oversight of the grant will also allow us to identify costs, locate more efficient equipment and project returns on our investments through the energy efficiency program.

Chairman W. Friel asked if there were any questions or comments from the public. There were none.

Chairman W. Friel closed the Public Hearing.

Respectfully submitted,
Philip A. Smith Town Administrator
