

*Town of Atkinson
Board of Selectmen
Meeting Minutes
April 4, 2012*

Bill Friel opened the Special Meeting of Wednesday, April 4, 2012 at 7:07pm in the Atkinson Town Hall.

Members Present:

T. Barbera
W. Friel

Others Present:

W. Friel
T. Stewart, Road Agent
J. Hill, Jameson's Excavation

Discussion:

Brendan Road Culvert

Mr. Innes related that Stantec Engineering reviewed the responses to the Brendan Road RFQ's for Jameson's Excavation and Busby Construction. Stantec's stated that the Busby bid was more "solid" and more specific to the requirements but concluded that either response would "do the job". Mr. Stewart stated that he had discussed the response with Jameson's and that they would complete the project according to the specifications and that no extra "fill" would be needed, negating the need for an \$18/yd/ton addendum to Jameson's response. Mr. Barbara followed this up with a question to Mr. Hill asking if they could do the job according to NHDOT specifications and he said that they would.

T. Barbera made a motion to award the Brendan Road Project to Jameson's Excavation on the amount of \$22,410. Second: b. Friel. 2/0/0.

W. Friel made a motion to adjourn the Special Meeting of April 4, 2012 at 7:36pm. Second: T. Barbera. 2/0/0.

Respectfully Submitted,

Bill Innes

William Friel

Todd Barbera
