E-911 Discussion:

Mr. Morse stated that he made the motion to “put the brakes” on the E-911 implementation process because he would like to review available E-911 information in greater depth. Based on his review of that information, and because it was determined that a unanimous vote to implement E-911 was made by the sitting Board on January 6, after the October 21 public hearing, he was in favor of reconsidering that vote.

Mr. Morse made a motion to rescind the June 2, 2014 motion to “put the brakes” on implementing E-911 on Coventry Road on June 19, 2014. Second: Mr. Baldwin. Vote 2/1/0 with Mr. Consentino opposed.

Mr. Morse made a motion to continue implementation of E-911 on Coventry Road as scheduled on June 19, 2014. Second for discussion: Mr. Consentino

Discussion: Mr. Consentino stated that he opposed to moving forward with E-911 and feels that the situation can be rectified with appropriate signage. Mr. Morse stated that he does not want to “undo” decisions made with due diligence by previous boards. **Vote: 2/1/0 with Mr. Consentino opposed.**

H. Morse made a motion to adjourn the Special Meeting of Monday, June 4, 2014 at 6:10 PM. Second: P. Consentino. 3/0/0.
