Discussion: Seating for a five (5) member Board

Mr. Innes presented several versions of seating arrangements collected from other Towns, GranitCore and an original design. After discussion it was decided that the most appropriate design is similar to the Moultonborough, NH seating arrangement.

Action Item: Mr. Innes will contact GranitCore and ask them to come to Town Hall to understand the Town's needs, present our desired seating solution and request designs and cost estimates for the project.

Motion to adjourn was made by Mr. Morse; seconded by Mr. Consentino. Vote – 2/0/0

Respectfully Submitted,
Bill Innes
