

Minutes from Meeting April 14th, 2022

Members present: Sam Butler, Mike Trasatti, Carl Orio. Also present were Joe Jordan and Hannah Rizzo, who are both expected to be confirmed as members at the next Select Board meeting on April 25th.

Membership Discussion: After her recent election to the Select Board, committee secretary Holly Patterson's resignation was accepted by the remaining members of the committee, leaving two positions vacant to be filled by Mr. Jordan and Ms. Rizzo. Mr. Butler also announced that he would be resigning from the committee in June given his election to the Budget Committee. After a brief discussion, Mr. Orio proposed that the April election of officers be postponed until the May meeting when the Committee would be presumed to have a full complement of members. Mr. Trasatti seconded, and the proposal passed unanimously.

The remainder of the meeting consisted of a general recap and discussion of the Committee's first year for the benefit of Ms. Fried and Mr. Jordan. Mr. Orio moved, and Mr. Trasatti seconded, that Ms. Rizzo request a joint meeting with the Town's Conservation Committee to discuss possible common interests. At the end of the discussion it was decided that:

- 1) Mr. Butler will contact Fire Chief Brian Murray about the current status of the town's PFAS study;
- 2) Mr. Butler will ask the Select Board if it would be possible for the Committee to examine the town water report submitted by HAWC several years ago.
- 3) Mr. Orio will look into employing the NH DES Registered Water User (RWU) system to catalog and identify town water wells (approximately 650 wells).

Our next meeting is planned for Thursday, May 12th at 7:00.

Meeting adjourned at 8:35.
